## **Quality Policy & Objectives**

Triton International Company Limited is committed to provide qualitative and reliable coating solutions that exceed customer satisfaction. Whilst the company is yet to receive its ISO certification, effective implementation of Quality Management System in compliance with the (NIS) Nigerian Industrial Standard by (SON) Standard Organization of Nigeria is permanently in place.

## VISION

To be the most sought after organization for paints and coatings solutions in Nigeria. To provide a one stop experience through a variety of excellent local and international brands along with complimentary services for our clients.

## MISSION

Supporting our vision endlessly, we seek to provide value in our qualitative brands, be competitive in our pricing, dealing with integrity and personalizing our relationship with our customers. Our objectives are:

### CONVENIENCE:

**Location:** Close the gap between TRITON and the end user through availability in strategic locations.

**Technology:** Adapting to a new era in trends to help speed up operational cycle.

### EDUCATION:

**Training:** Constant training for our staff, improving skills and creating an environment conducive to achieving their personal goals.

**Academy:** Ready consultation for our end users as well as periodic seminars covering application methods, product usages and preferred outcomes amongst many other related topics.

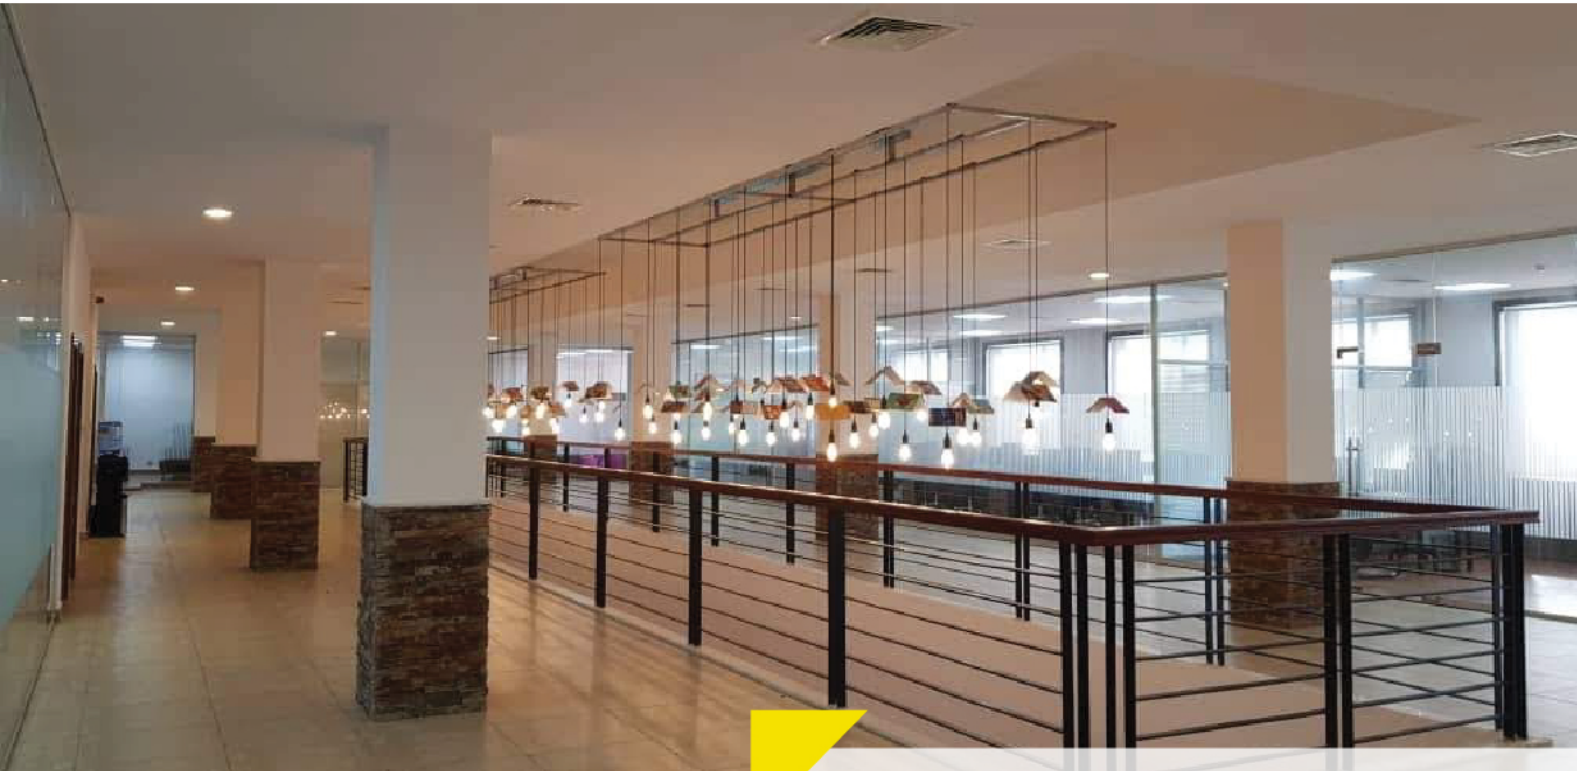

### PARTNERSHIPS:

**Brands:** Internationally recognized brands that further strengthen our position in the market thereby gaining market share.

**Techniques:** Importing new techniques and ideas to further provide an all round desirable experience.

## OUR BRANDS

  
**TRITON**®  
*your partner in paint!*

**TP TRITON PAINTS** is a premium quality coating solution brand, offering a wide array of products. Proudly manufactured in Nigeria by a team of highly qualified professionals. Whilst our pipeline is filled with paint lines which we intend to incorporate into the TP TRITON PAINTS, brand such as wood coatings and autobase coatings. TP TRITON PAINTS quality meets the highest standards in five segments; architectural, decorative, industrial, marine and floor coatings.

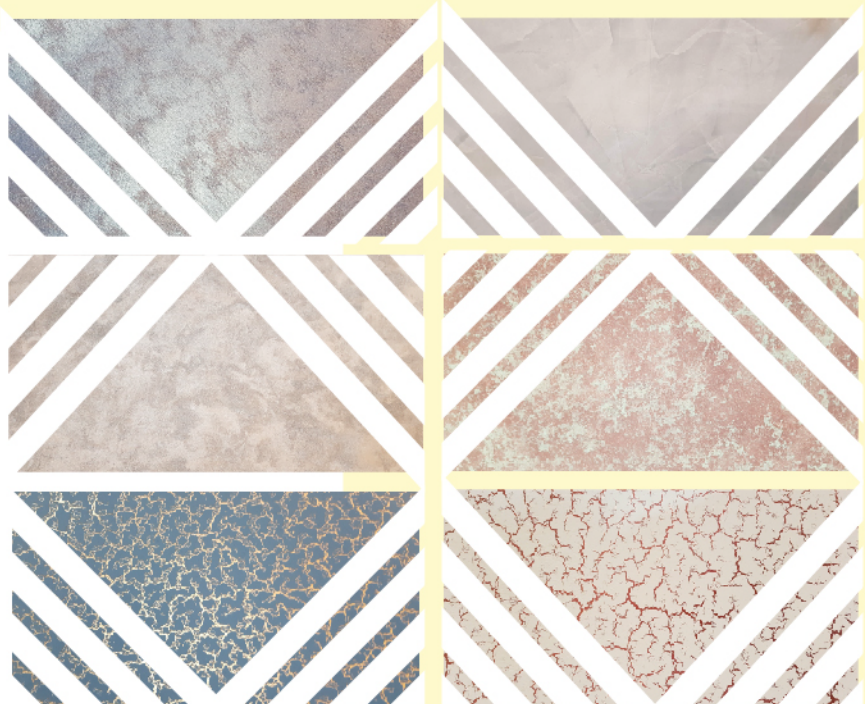

## Architectural

There's no substitute for quality paints with superb textures and coverage abilities. TP TRITON PAINTS offer a variety of products and is able to match thousands of colors. TP TRITON internal coatings are aesthetic and beautiful – TP TRITON PAINTS exterior paints are particularly durable and are adapted to the Nigerian climate.

## Decorative

A growing segment in the TP TRITON PAINTS brand with particular specialty in stucco, rustic, patinato and glaze effect.

## Industrial & Marine Coatings

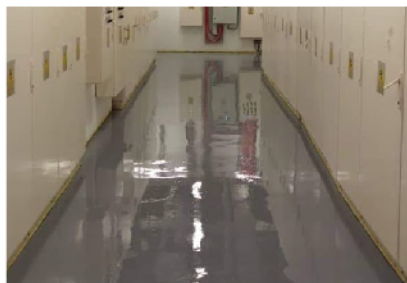

TP TRITON Industrial and marine coatings are designed with the construction and oil and gas markets in mind. However TP TRITON PAINTS is sure to have a product available to satisfy the requirements of domestic and commercial clients also.

## Floor Coatings - Epoxy

With the help of our epoxy flooring systems, customers can protect their concrete floors from chemical deterioration, chemical corrosion, wear and tear.

Installing our slip, abrasion, impact, and chemical resistant epoxy flooring systems, means there will be a reduction in floor maintenance costs and a maximization in work efficiency.

# Walplast<sup>®</sup>
