

TP Triton Paints specializes in the manufacture and sale of high quality paints for decorative, commercial, industrial, and marine use.

TP Triton Paints is renowned for dealing directly with construction, development and corporate firms to ensure satisfaction for end users.

Our production is controlled by a team of highly qualified chemists and technicians whose sole aim is to deliver finishes that will meet and even exceed expectations.

Our product range is wide with impeccable quality and competitive pricing for all paints and services.

Our qualified consultants and technicians are available to offer advice and guidance on how to achieve the desired result.
